Representing Business

Huron Valley Chamber promotes and protects
the business interests of members

The Huron Valley Chamber of Commerce has been an advocate for the community and its businesses since 1962. A strong Chamber helps create a strong community. This principle guides us as we work hard to be a vital business ally in the Huron Valley community. The strength of our Chamber is a direct result of a friendly and knowledgeable staff, a committed Board of Directors, engaged Chamber members, quality events and a vibrant community.

We hope you'll explore this directory to find out more about the unique communities we serve and the Chamber member businesses for which we advocate. Whether you are using the print or digital version, Huron Valley comes to life as you explore the businesses, communities, schools, organizations and recreational amenities of the area. We encourage you to use this directory as your first resource when making purchases and we ask you to consider exercising your purchasing power locally to maintain the strength and integrity of our member businesses.

We also take great pride in offering the benefits and services your business needs to succeed. From networking, to educational opportunities, to community involvement, the Huron Valley Chamber of Commerce offers the tools your business needs to find prosperity and stability.

Healthy, Happy and Fit

Leisure time options strengthen community connections

Boundless opportunities for fitness and adventure are mainstays of Huron Valley fun. From wild landscapes to flowing waters and premier trails, residents and visitors enjoy an array of outstanding experiences.

Huron Valley is home to some of Southeast Michigan's most prized parklands.

Kensington Metropark in Milford has more than 4,000 acres of varying terrains, offering hiking, boating, golfing, biking and more. The 1,200-acre Kent Lake is one of the top attractions in the park.

Proud Lake State Recreation, located on the beautiful Huron River, has more than 20 miles of trails and 4,700 acres to explore. Guided walks and other nature programs offer rich learning experiences.

The Michigan Air Line Trail is Oakland County's newest rail-trail. It connects communities across the valley, including Commerce Township, Walled Lake and Wixom. The local segment, expected to be complete in 2021, is part of the Great Lake to Lake Trail stretching from Port Huron to South Haven.

In Milford, paddlers launch onto the nationally recognized Huron Water Trail. The 104-mile trail showcases the river's natural environment and communities along its banks. And municipal and village parks provide additional opportunities for athletic play, connecting to nature and enjoying the region's beauty.

Building Well Being

Carls Family YMCA partners in fostering health and social responsibility through its programs and activities for all ages. The center has indoor pools, training center, aerobics studio and more. It offers 50 fitness classes each week.

Youth Sports, Girls on the Run and the service-oriented Youth Volunteer Corps nurture young minds and bodies. The new LIVESTRONG® program launched in 2019 helps empower adult cancer patients and survivors through a free fitness program.

Family-Friendly

LaFontaine Family Amphitheater, in the Village of Milford, is a public entertainment venue in one of the six village's parks. A free summer concert series, every Thursday evening throughout the summer, unites thousands of people through live music. Events like the Milford Memories Summer Festival draw nearly 200,000 visitors each year and showcase the vibrant communities that make up Huron Valley.

Living well in Huron Valley is an experience made stronger by community bonds forged by exceptional four-season recreation and entertainment options.

Investing In Students

Strategic missions drive academics, arts and athletics

In November 2019, area voters approved a \$182 million bond and building site sinking fund for Huron Valley Public Schools by a margin of more than 70 percent. Funds will allow upgrades and enhancements across the district. Improvements began in 2020 and focus on safety and security, infrastructure and operational efficiencies, programs and technology.

Huron Valley Schools educate 9,000 students from five communities. It leads quality education at 16 schools and is among Michigan's 25 largest school districts.

Every student is given the skills to reach their potential. Learning support comes from district staff, parents, business and community members. Representing the business sector, the Chamber provides an annual scholarship to one hard-working senior from Lakeland, Milford or Harbor High schools. Recipients apply the scholarship toward tuition at a variety of colleges.

Achieving Excellence

Dedicated to providing students the latest learning tools, students benefit from state-of-the-art classrooms, SMART boards, laptops and document cameras. The technology helps prepare them for the global workforce.

The International Academy-West on the Lakeland High School campus in White Lake is an official International Baccalaureate IB Middle Years Program and one of the only all-IB High Schools in Michigan. *Newsweek* and *U.S. News & World Report* rank the academy as the No. 1 high school in Michigan.

Huron Valley's music programs, robotics teams, sports teams and extracurricular teams consistently receive state and national recognition.

Other district highlights include:

- ◆ Students have access to more than 50 advanced placement classes and dual college enrollment.
- ◆ Approximately 88 percent of the graduates pursue a higher education.
- ◆ The Lakeland High School Career and Technical Education Department focuses on training students in highly sought-after careers.
- ◆ The school district provides exercise, education and enrichment for the entire community through the Huron Valley Recreation & Community Education.
- ◆ More than 70,000 spectators attended district athletic events last year.
- ◆ In December 2019, Huron Valley high school students took home more than \$1 million in scholarship offers from the annual Michigan Thespian Festival.

Forging Opportunity

Premier development sets township on new path

The face of Commerce Township is changing in 2020 as a \$100 million commercial development breaks ground. The Five & Main entertainment/restaurant/retail complex creates a long-awaited downtown district at Pontiac Trail and M-5.

Planned amenities include public gathering places, play areas, public art, open-air dining, a farmers market and events. In 2020, an adjacent 300-unit housing complex welcomes residents to the dynamic new neighborhood.

Naturally Inspiring

Commerce Township is home to 38,200 residents who enjoy the expanding amenities, direct access to neighboring communities and Metro Detroit via M-5, plus abundant natural resources.

The Huron River is a central natural feature flowing through the township. There are also 28 lakes, more than 1,200 acres of township parks and the 4,700-acre Proud Lake Recreation Area featuring 20 miles of trails.

The M-5 Pedestrian Bridge located in Commerce Township connects two segments of the Michigan Air Line Trail to provide safe passage over the highway. Nearly 50 percent of the pathway is located in the township. This multimillion-dollar public/private funded Air Line rail-trail links Commerce Township to Wixom and Walled Lake.

A 5.5-mile segment of the paved trail opens in 2020. Another 2.2-mile section is scheduled for completion in 2021.

Sought-After Advantages

Southeast Michigan’s budding hot spot, Commerce Township offers the full package—new opportunities, low tax rates, outstanding schools, access to outdoor recreation and metropolitan resources. It ranks as Michigan’s 4th Safest Community with a population of 25,000 or more.

Commerce Township’s urban amenities blend seamlessly with its expansive green spaces to create a desirable hometown setting.

Formed before Michigan entered statehood, Highland Township has shown itself to be a civic-minded, forward-looking community. It celebrates its 185th anniversary in 2020 as a nimble and business-friendly municipality.

Highland Township spans 36 square miles and is home to 19,000 residents. M-59 multiplies business and pleasure options by providing a convenient link to metro area resources.

The township marks one of its most active business construction and expansion period in recent history. An Oakland County Main Street community and participant in the county’s One Stop Ready Program, Highland actively supports business development. The township’s walkable downtown offers one-of-a-kind shops, restaurants and taverns.

Along with the vibrant retail base, the community’s economic base consists of manufacturing, healthcare, knowledge services and quality education opportunities.

Telling the Story

Highland Township’s new motto—“Warm inside. Great outdoors.”—captures its character as a friendly community surrounded by natural beauty. The township encompasses 26 lakes, two township parks and a county park.

One-quarter of its land is occupied by the nearly 6,000-acre Highland Recreation Area. The state park preserve provides equestrian trails, hiking, biking, cross-country skiing, and more.

Construction is slated for completion in fall 2020 on the Chill at the Mill outdoor play and learning space next to the Highland Township Library. The space includes a children’s area with naturalized play elements, vegetation supporting native Monarch butterflies and a replica of the historic Spring Mills flour mill.

Community spirit grows through Highland’s series of events, including The Founders Day Parade in May, July fireworks and the October Highland Heritage Festival.

Incorporating rural, suburban and lake living, every lifestyle has a place to blossom and become a part of the proud Highland legacy.

Connected and Growing

Preservation and progress
keep township relevant

Milford Township's undisputed natural appeal makes the municipality a highly coveted Oakland County address. Large residential developments underway promise hundreds of new units with recreation options at their backdoor.

Prime Natural Features

Milford Township is home to 10,100 residents. Within its 33 square miles lies some of Michigan's prime outdoor assets. Kensington Metro Park preserves more than 4,000 acres of land that provide four seasons of activities—from boating on 1,200-acre Kent Lake to cross-country skiing.

The park sports a golf course, nature center, farm center, picnic area, disc-golf course and top-rated biking. The 104-mile Huron River Water Trail weaves through the township connecting paddlers to the area's natural beauty, history and destination sites.

Close Community Ties

Fun and learning events encourage community bonds. Summer's Concerts in the Park and Picnics & Movies in the Park gather people beneath starry skies.

Milford Public Library hosts guest speakers and book discussions. Milford Senior Center creates a sense of belonging and inspiration with meals, senior van service, activities and trips. Milford's rich history is highlighted by the Milford Historical Society. It hosts lectures, exhibits and holiday events celebrating the resilience and innovative spirit of past generations.

Hometown pride is the heartbeat of Milford Village. The timeless small town is home to 6,600 residents who celebrate its six scenic parks, vibrant town center, cultural and outdoor recreation opportunities.

Milford's 2.5 square miles encompass a historic destination shopping district which attracts 25,000 visitors from across the region. Situated along the Huron River, the friendly walkable downtown features a host of boutique shops and more than 30 restaurants.

A catalyst for downtown growth, the upscale 505 Main development at the prominent corner of Main and Commerce takes shape. Promoted by the Village Downtown Development Authority, plans call for breaking ground this year. The 37,000-square-foot mixed-use development will offer two levels of luxury apartments, street level commercial spaces and 90-plus public parking spaces.

Recreation at Its Best

Play time in Milford opens doors to fun, fitness and challenge. Paddlers launch at Milford's Central Park onto the nationally recognized 104-mile Huron Valley Water Trail. The Milford Trail provides more than five miles of paved pathway to explore the area. It links to Kensington Metropark, one of Southeast Michigan's largest parks, and the Island Lake State Park Trail. In spring of 2020, the Village unveils Milford Dog Park located adjacent to the Milford Trail.

Milford DDA supports community development and its calendar of good times. A free summer concert series is held at Central Park in the LaFontaine Family Amphitheater, entertaining audiences of up to 2,000. Milford Memories Summer Festival, Milford Car Show, holiday parades and a farmers' market keep Village streets humming with activity.

The ability to embrace change while honoring historic and community values, is the essence of Milford's past, present and future success.

Naturally Charming

Appealing spaces to grow
dreams and success

A bustling business community, expanding housing market and new public amenities prime this “Four Seasons Playground” for continued growth.

White Lake Township’s 30,600 residents enjoy plenty of elbow room. Its open spaces and parks comprise nearly 30 percent of the township’s 37 square miles and include 6,000 acres of parks, 21 lakes and numerous farms and forests.

Highland State Recreation Area, Pontiac Lake Recreation Area and Indian Springs Metropark provide year-round outdoor adventures. A connector path along the north side of M-59 links users to the area’s all-season non-motorized trail system. Privately-owned golf courses and Alpine Valley Ski Area add quality leisure opportunities.

Creating Opportunities

White Lake Township’s 600 businesses form a regional shopping hub anchored by national chain retailers. Oakland County International Airport, located just five miles away, ranks as the world’s twelfth busiest general aviation airport. It serves more than 150 corporations. Hundreds of new housing units, ranging from lake homes, rural estates, apartments and condominiums, welcome singles, families and empty nesters to the active township.

Infrastructure Investment

Ongoing investment in public assets support White Lake’s quality of life.

In 2019, the new \$8.6 million White Lake Township Library opened its doors. Plans are underway to construct a public safety building to house the police station and Fire Station #1. The township recently acquired 57 acres to preserve valuable open space at Brendel Lake and create the new Stanley Park. The community vision for the \$1.8 million project is to add trail activities and a dog park.

By prudently balancing development and natural resource preservation, White Lake Township forges a municipality destined for progress and success throughout the new decade.

Now introducing

LONG-TERM ASSISTED LIVING THAT GROWS AS YOUR NEEDS CHANGE.

The Neighborhoods of White Lake introduces an alternative to traditional nursing home care. We work closely with families to ensure they remain part of their loved ones' lives and help adjust to changes as they age. Life's needs may change, but home doesn't have to.

The Neighborhoods of White Lake
