

THE 2020 "RISE TO THE OCCASION" AWARDS

This year has been not only a challenge for Huron Valley citizens, businesses & organizations, but devastating to many. However, there are many examples of individuals, businesses & organizations that accepted the challenge. They pivoted, adapted & revamped so they remained relevant and stayed in the game.

We want to honor those that had courage, hutzpah, & grit throughout 2020.

Your Name _____

Your Phone _____

Your Email _____

Please provide as much information as possible, for example:

- Describe what challenges the nominee had
- Describe how the nominee adapted to the challenges.
